To Whom It May Concern:

Bill Santiago performed in front of a packed audience at Capital Community College 's "Latin Night" on May 18th. I am not exaggerating when I say that students, faculty, and staff still stop me in the hallways to recall his jokes and tell me how much they loved his routine.

Bill's hilarious performance was smart, energetic, and perfectly fit for our diverse academic audience. His original brand of humor helped bring our college together across ethnic and cultural boundaries. Bill has a unique way of turning observations about every day life into hysterical commentary. His sharp use of words and language struck a personal chord for audience members, particularly our "Spanglish speaking" Latino students.

During his visit to CCC, Bill was the consummate professional who did everything possible to interact and engage with the audience, even after the conclusion of his show. In addition, he was extremely flexible, accommodating and courteous. Thanks to Bill's outstanding performance, our event was an enormous success!

In short, I absolutely recommend that you consider bringing Bill Santiago to perform at your institution. If I had a chance, I'd invite back to our college "in a heartbeat." Please contact me if you need any additional information.

Sincerely,
