Dear Bill,

On behalf of the students of NMSU's Hispanic Council, Chicano Programs and New Mexico State University, I would like to thank you for your marvelous performance last Thursday at the Corbett Center Auditorium on our campus. The performance was very well received. Students, faculty and staff are still talking about it! Even though we were not able to get notice in the local paper, we still had a full house. Your performance was educational and a great stress reliever for everyone slogging through the middle of the semester.

Your book Pardon my Spanglish has already been used for years in a variety of classes on campus. A number of faculty urged their students to attend.

PACE, one of the student groups that co-sponsored your performance actually spent part of their organization funding to buy copies of your book for officers. It was great to have the content of the show custom-made for our border cultura. As an administrator, I also appreciate that you actually spent two hours on stage and stayed to sign books and pose for photos as long as there were people waiting to talk to you. The student committee really enjoyed going out to dinner with you afterwards.

We hope that you remember your visit warmly and that you will be able to come perform again sometime in the future. We will brag about your visit when you get your big break and your own t.v. show!

Respetuosamente,

Dr. Laura Gutierrez Spencer
Director, Chicano Programs
